

OT-VC-700-4L-2R

- Multi-cyclone vacuum cleaner -

The Ozeanos multi-cyclone vacuum cleaner combines a modern design with a powerful technical structure to make your everyday life easier.

The vacuum cleaner offers high suction power thanks to the particularly durable and energy-efficient 700 Watt motor.

The dust container volume is up to 4 l, so vacuum cleaner bags belong to the past!
Air and dust are separated by a cyclone and the downstream highly efficient HEPA filter ensures ideal dust emission.

Thanks to a cable length of 5 m and a hose length of 1,9 m you get a very comfortable operating range.

The vacuum cleaner is suitable for hard floors as well as carpets.

Thus you are perfectly equipped to keep your household clean and tidy.
